

## Preisübergabe durch Hans Waldenfels, Günter Riße und Hans-Wilhelm Heidrich

**Dear Jyoti Sahi,**

it is a great honor and pleasure for me to award you the Maria Luise Born Art Prize today. We were very impressed how you understand to translate the basic convictions of the Christian faith in an artistic way into the rich tradition of the Indian subcontinent. I can say of myself that I have always returned to Europe enriched from my various visits to India. I wish you many more good years in which you can continue the great work of mediation.

Symbolically, I now show you the check with the sum that we will transfer to your Indian account in these days.

My sincere congratulations and blessings to India.

**Ad multos annos.**

***Hans Waldenfels***
